# AMERICAN SCHOOL OF CREATIVE SCIENCE

The American School of Creative Science Al Layyah is a learning organization that nurtures, cultivates, and fosters creative and critical thinking skills amongst students, from Pre-KG to Grade 4. The school's reputation for academic excellence couples with strong moral values to develop successful, contributing members of a global society. ASCS AL Layyah follows the US Curriculum that is based on American Common Core State Standards for English Language Arts, Math, and Next Generation Science Standards (NGSS) for Science, along with the MOE curriculum in Arabic, Islamic Education, Social Studies, and Moral Education and provides unique Quran memorization program.

At ASCS, course delivery methodology is based on world renowned teaching strategies and best practices, with the aim to motivate students to tap into and realize their full potential, ensure the development of the "Whole Child", as well as build self-confidence and self-awareness, which in turn enables independent learning.

Teachers at ASCS use differentiated instructions, catering to individual needs of each student, communicate regularly with parents, provide a safe and secure environment for learning, and incorporate the latest technology to foster future skills. Additionally,

our wellbeing and character-building program is integrated across the curriculum, and our English and Arabic departments adopt a common approach, ensuring that links are established between the different subjects.

ASCS' highest priorities for the upcoming years include the retention of all caring, passionate, and qualified staff, with increased professional development, enabling all teachers to deliver their curriculum effectively, and with a focus on students' achievements. We will also prioritize increasing parental engagement and providing meaningful leadership opportunities for the students. These characteristics, coupled with our ethos, excellence rooted in faith, further enrich our students' learning experiences, nurturing their healthy development, and empowering them to face challenges ahead.

## WHY ASCS?

At ASCS, we ensure learning is adapted to meet the needs of all students, from the most able learners to those who may require special educational needs. Our passionate staff are dedicated, and well informed to care for students of varying capabilities. The school is constantly striving to create a safe learning community where students feel confident, welcomed, and supported to achieve and celebrate their success.

# HOW TO APPLY

We encourage new families to conveniently apply online for admission at ASCS as it simplifies the submission process and provides a tool to track its status. Admissions are conducted on a first come first served basis, in a fair manner. To facilitate and accommodate all potential students, entrance tests and interviews for each grade level are conducted prior to enrollment. Additionally, all prospective students are also required to undertake Cognitive Ability Tests on a published date and time.

## NEW STUDENTS ADMISSIONS PROCEDURES:

- Complete the application form online, or at the school's reception
- Submit a copy of your child's passport, copy of each parent's Emirates ID, and most recent school report or (to whom it may concern) letter from your child's current school
- Upon receipt of the application form, your child will be invited for an entrance exam and interview
- Students from Pre-KG to Grade 3 will be invited for an interview only
- Students of Grade 4 will be invited for an entrance exam and interview

If your application is successful and the student is offered a place, you will be notified by phone or email and invited to complete the rest of the admission formalities.
