

## What is G &T?

Gifted and talented refers to students whose abilities, talents, and potential for accomplishment are so exceptional or developmentally advanced that they require special provisions to meet their educational needs.

## Intellectual Ability

A student demonstrates extraordinary or potential for extraordinary intellectual development. A student consistently produces advanced ideas and products and/or attains exceptionally high scores on achievement tests.

## Gifted & Talented

*“There is no envy except for two men whom God has given money to, as he spends out vessels of the night and during the day, and a man whom God has given the Qur’an to do so he does it during the night and during the day”*

*- Hadith Sharif*

## Leadership

A student displays the characteristic behaviors necessary for extraordinary leadership.

## Psychomotor

A student exhibits extraordinary levels of aptitude related to sports or other extra-curricular activities

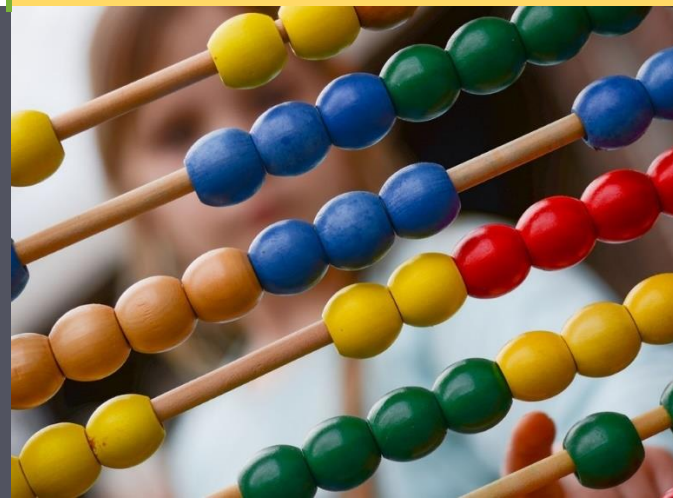

## How do we best meet our student's needs?

- **Enrichment Program**
- **Mentorship**
- **Differentiation in Curriculum**

## Twice exceptional Student

ASCS recognizes some students may fall under the domain of Twice Exceptional in that they have been diagnosed with a learning disability, but display giftedness as specified in one of the categories defined above.

*“Allah will raise those who believed among you and those who were given knowledge, by degrees”(58:11)*

## Creative and Performing Arts

A student overcomes obstacles to thinking or doing, produces unique solutions to problems and/or perceives unusual relationships among aspects and ideas. A student originates, performs, produces, or responds at extraordinarily high levels in the arts.
