END OF TERM 1 UPDATES

Assalamu alaikom dear parents,

The time has passed so fast - December is already here! InshaAllah you all had a wonderful time celebrating the 47th UAE National Day with your families.

Although December is a short month for us at school, it is very important that your children attend until the last day.

Your child's teachers are assessing what has your child learned so far and grades are being finalized for the Term 1 Report Card. Teaching still continues and children are learning new concepts, numbers and letters. There will be 3 weeks long vacation for you and your child starting from December 16th till January 5th 2019. The first day for students in Term 2 is January 6th 2019. Please remember to review reading, writing and Math with your child during the vacation. We will be offering a Revision Pack for those of you interested. Revision Packs will be ready for you in the Phase 1 Reception from December 12th to December 13th. Thank you

DATES FOR YOUR DIARY

Working with the UAE National Agenda and School Inspection Framework - KG Little Inspector

As you already know, we take pride in working closely with the UAE National Agenda and the UAE Vision 2021 as well as the UAE School Inspection framework to drive improvement, student well-being and achievement. Including students and their opinions in inspecting our department is a valuable process that gives us the insight into how students see what learning in KG should look like. We have introduced the program of 'Little Inspector' where our KG students take on the job of a real inspector and together we assess items related to the UAE School Inspection Framework in the KG Department.

Bullying Prevention Program

Bullying Prevention program took place during the month of November. Students in the KG Department participated in 'Be a Hero' activities, where they learned about how to be a good friend. Our students and teachers also created Bullying prevention posters.

Perfect Attendance recognition

Commitment to school attendance leads to higher attainment levels as students spend more time learning new concepts.

Each month our KG Department appreciates students with 'perfect' attendance - those who do not miss any school day during that month. Congratulations!

Healthy Habits Program

Healthy habits program was launched during the month of November. Students, staff and parents have been exercising together, eating healthy food and taking on other healthy habits. We will continue with this program in Term 2 on weekly basis. We will let you know about the exact dates for this program through Class Dojo.
